

IPSO Congress Program: Speaker List 2022

Note: This speaker list and session titles are subject to change.

Day 1: Sunday, April 24th, 2022

Opening of the IPSO Founding Members Congress

Moderator:

Heather Fullerton, MD, MAS | Neurology | San Francisco, United States

Speakers:

Kathleen Colao, MPH, CCRP | IPSO Membership Coordinator | San Francisco, United States

Christine Fox, MD, MAS | Neurology | San Francisco, United States

Heather Fullerton, MD, MAS | Neurology | San Francisco, United States

Kristin Guilliams, MD, MSCI | Critical Care Neurology | St. Louis, United States

Todd Levy, MS, OTR/L, CBIST | Occupational Therapy | Philadelphia, United States

Janette Mailo, MD, PhD, FRCPC | Critical Care Neurology | Edmonton, Canada

Darren Orbach, MD, PhD | Interventional Neuroradiology | Boston, United States

Hailey Rhodes | Stroke Survivor | St. Louis, United States

Global Perspective on Pediatric Cerebrovascular Disease: Current State and Priorities

Moderator:

Heather Fullerton, MD, MAS | Neurology | San Francisco, United States

Speakers:

Ian (Peter) Andrews, MD | Neurology | Sydney, Australia

Nana Niño Tatishvili, MD | Neurology | Tbilisi, Georgia

Dipak Ram, MD | Neurology | Manchester, United Kingdom

Anna Ekesbo Freisinger, MD, PhD | Neurology | Solna, Sweden

Ilona Kopyta, MD, PhD | Neurology | Katowice, Poland

Speaker Session # 1: Controversies in Hyperacute Management of Arterial Ischemic Stroke in Children

Moderator:

Adam Rennie, MB, BS, BMSc, FRCR | Interventional Neuroradiology | London, United Kingdom

Speakers:

Title: Endovascular Thrombectomy in Childhood Stroke

Peter Sporns, MD, MHBA | Interventional Neuroradiology | Basel, Switzerland

Title: Reperfusion selection and penumbra in pediatric stroke: Does one size fit all?

Sarah Lee, MD | Neurology | Palo Alto, United States

Panelists:

Peter Sporns, MD, MHBA | Interventional Neuroradiology | Basel, Switzerland (*virtually*)

Sarah Lee, MD | Neurology | Palo Alto, United States

Flavio Requejo, MD | Interventional Neuroradiology | Buenos Aires, Argentina
Merelijnne Verschoof, MD | Neurology | Gravenhage, Netherlands

Oral Abstracts Session #1

Moderator:

Heather Fullerton, MD, MAS | Neurology | San Francisco, United States

Speakers:

Title: Cognitive Outcomes and Predictors in Young Children with Presumed vs. Acute Perinatal Stroke
Christine Mrakotsky, PhD | Neuropsychology | Boston, United States

Title: Fetal Intraparenchymal Hemorrhage: Imaging, Etiology, and Neurodevelopmental Outcomes
Rachel Vassar, MD | Neurology | San Francisco, United States

Title: Executive functioning, ADHD and resting state functional connectivity in children with perinatal stroke
Helen Carlson, PhD, BS | Scientist | Calgary, Canada

Title: TNF-blockade for primary stroke prevention in ADA2 deficiency
Ariane Soldatos, MD, MPH | Neurology | Baltimore, United States

Title: Vertebral artery anatomical variants- A predisposing risk factor for dissection
Michael Dowling, MD | Neurology | Dallas, United States

Speaker Session # 2: Hemorrhagic Stroke in Childhood: News and Views in Managing Cerebral Vascular Malformations

Moderator:

Mesha Martinez, MD | Interventional Neuroradiology | Indianapolis, United States

Speakers:

Title: Treatment of unruptured Brain AVMs: Criteria and Modalities: Views from a neuro-interventionalist
Grégoire Boulouis, MD, PhD | Interventional Neuroradiology | Paris, France

Title: Treatment of unruptured Brain AVMs: Criteria and Modalities: Views from a neurosurgeon
Ethan Winkler, MD, PhD | Neurosurgeon | Phoenix, United States

Title: Pediatric Cavernous Malformations
Edward Smith, MD | Neurosurgeon | Boston, United States

Title: Selecting Patients for Vein of Galen Malformation Treatment
Lucas Elijovich, MD, FAHA | Interventional Neuroradiology | Memphis, United States

Panelists:

Grégoire Boulouis, MD, PhD | Interventional Neuroradiology | Paris, France
Edward Smith, MD | Neurosurgeon | Boston, United States

Lucas Elijovich, MD, FAHA | Interventional Neuroradiology | Memphis, United States (*virtually*)
Christine Fox, MD, MAS | Neurology | San Francisco, United States

Day 2: Monday, April 25th, 2022

Speaker Session # 3: Cerebrovascular Disease in Sickle Cell Anemia: Challenges & Controversies

Moderator:

Fenella Kirkham, MD | Neurology | London, United Kingdom

Speakers:

Title: Best Practices for Managing acute Arterial Ischemic Stroke in Sickle Cell Anemia

Lori Jordan, MD, PhD | Neurology | Nashville, United States

Title: Challenges and Implications for Cerebrovascular Disease Management with Allogeneic Transplant for Sickle Cell Anemia

Courtney Fitzhugh, MD | Hematology | Bethesda, United States

Title: Clinical Trials for Neurological Complications in Sickle Cell Disease- A Private Industry Perspective

Kim Smith-Whitley, MD | Hematology | Philadelphia, United States

Title: Priorities and Opportunities for Sickle Cell Anemia from a Kenyan Perspective

Samuel Gwer, MBChB, MRCPCH, PhD | Neurology | Nairobi, Kenya

Panelists:

Lori Jordan, MD, PhD | Neurology | Nashville, United States

Kim Smith-Whitley, MD | Hematology | Philadelphia, United States (*virtually*)

Samuel Gwer, MBChB, MRCPCH, PhD | Neurology | Nairobi, Kenya (*virtually*)

Michael Dowling, MD | Neurology | Dallas, United States

Kristin Guilliams, MD, MSCI | Critical Care Neurology | St. Louis, United States

Research Collaborations

Moderator:

Rebecca Ichord, MD | Neurology | Philadelphia, United States

Speakers:

Noma Dlamini, MD, M.Sc., PhD | Neurology | Toronto, Canada

Christine Fox, MD, MAS | Neurology | San Francisco, United States

Heather Fullerton, MD, MAS | Neurology | San Francisco, United States

Kristin Guilliams, MD, MSCI | Critical Care Neurology | St. Louis, United States

Manoëlle Kossorotoff, MD, PhD | Neurology | Paris, France

Laura Lehman, MD | Neurology | Boston, United States

Maja Steilin, MD | Neurology | Bern, Switzerland

Speaker Session # 4: Genetics of Pediatric Cerebrovascular Disease: Molecular Mechanisms to Clinical Trials

Moderator:

Rebecca Ichord, MD | Neurology | Philadelphia, United States

Speakers:

Title: Diagnosis and Treatment of Aicardi Goutières Syndrome

Adeline Vanderver, MD | Neurology | Philadelphia, United States

Title: Deficiency of Adenosine Deaminase 2 (DADA2)

Femke Klouwer, MD, PhD | Neurology | Amsterdam, Netherlands

Title: Genetics of Brain AVMs

Helen Kim, PhD, MPH | Epidemiology | San Francisco, United States

Panelists:

Adeline Vanderver, MD | Neurology | Philadelphia, United States (*virtually*)

Femke Klouwer, MD, PhD | Neurology | Amsterdam, Netherlands

Helen Kim, PhD, MPH | Epidemiology | San Francisco, United States

Ariane Soldatos, MD, MPH | Neurology | Baltimore, United States

Speaker Session # 5: Neurocritical Care and Stroke in Congenital Heart Disease

Moderator: Ilona Kopyta, MD, PhD | Neurology | Katowice, Poland & Elizabeth Mayne, MD, PhD | Critical Care Neurology | Palo Alto, United States

Speakers:

Title: Cardiovascular and Cerebrovascular Physiology of Congenital Heart Disease: Impact on Brain Development and Injury

Mike Seed, MBBS, MRCPCH, FRCR | Cardiology | Toronto, Canada

Title: Neuroprotection & Acute Stroke Management in the Cardiac Intensive Care Unit

Liza Pulcine, MD, MSc, FRCPC, CSCN | Neurology | Toronto, Canada

Title: Prevention and Thromboprophylaxis of Acute Stroke in Children with Heart Disease

Theresa Giglia, MD, FAHA | Cardiology | Philadelphia, United States

Panelists:

Mike Seed, MBBS, MRCPCH, FRCR | Cardiology | Toronto, Canada (*virtually*)

Theresa Giglia, MD, FAHA | Cardiology | Philadelphia, United States

Janette Mailo, MD, PhD, FRCPC | Critical Care Neurology | Edmonton, Canada

Day 3: Tuesday, April 26th, 2022

IPSO and Patient Advocacy: How can IPSO advocate for children with cerebrovascular disease?

Moderator: Lori Jordan, MD, PhD | Neurology | Nashville, United States

Speakers:

Mary Kay Ballasiotes | Patient Advocate | Charlotte, United States

Speaker Session #6: Neuroprotection in neonatal arterial ischemic stroke – from bench to bedside

Moderator: Gabrielle deVeber, MD | Neurology | Toronto, Canada

Speakers:

Title: Neonatal and Pediatric Stroke - not a continuum

Zena Vexler, PhD | Neurobiology | San Francisco, United States

Title: Clinical Trials in Neonatal Arterial Ischemic Stroke: from bench to bedside

Manon Benders, MD, PhD | Neonatology | Utrecht, Netherlands

Title: Stroke in the preterm infant

Linda de Vries, MD, PhD | Neonatology | Utrecht, Netherlands

Panelists:

Zena Vexler, PhD | Neurobiology | San Francisco, United States

Manon Benders, MD, PhD | Neonatology | Utrecht, Netherlands

Linda de Vries, MD, PhD | Neonatology | Utrecht, Netherlands (*virtually*)

Oral Abstracts Session #2

Moderator: Lori Jordan, MD, PhD | Neurology | Nashville, United States

Speakers:

Title: Functional oscillatory activity underlying dystonia and cognitive outcomes following childhood arterial ischemic stroke

Prisca Hsu | MSc Candidate | Toronto, Canada

Title: Long-term Trajectories of Cerebral Vasculopathy in Children with PHACE Syndrome

Moran Hausman- Kedem, MD | Neurology | Tel Aviv, Israel

Title: Modifiable Risk Factors for Perioperative Stroke After Moyamoya Revascularization Surgery in a Pediatric Cohort

Lisa Sun, MD | Neurology | Baltimore, United States

Title: Health Inequity and Time from Stroke Onset to Arrival Trends: A Single-Centre Experience

Akshat Pai | MSc. Candidate | Toronto, Canada

Title: Perinatal Arterial Ischemic Stroke (PAIS) in term neonates: A diagnostic clinical prediction modelling study

Ratika Srivastava, MD | Neurology | Calgary, United States

Title: Impact of Stroke Volume on Neurological Outcome after Arterial Ischemic Stroke of Childhood
Tatia Aprasidze, MD, PhD | Neurology | Tbilisi, Georgia

Speaker Session # 7: Manualized vs. individualized “rehabilitation/intervention” – through development and around the globe

Moderator:

Christine Mrakotsky, PhD | Neuropsychology | Boston, United States & Sebastian Grunt, MD, PhD | Bern, Switzerland

Speakers:

Title: Physical Rehabilitation: Bridging Protocols with Individual Needs
Stacy Suskauer, MD | Physiatry | Baltimore, United States

Title: Neuropsychological Rehabilitation in Pediatric Stroke: Cognitive, Behavioral and Social- Emotional Outcomes
Robyn Westmacott, PhD, C. Psych | Neuropsychology | Toronto, Canada

Title: Common Principles of Motor Recovery from Adult and Pediatric Studies
Preeti Raghavan, MD | Physiatry | Baltimore, United States

Title: Stroke Rehabilitation Services in sub-Saharan Africa
Richard Idro, MD | Neurology | Kampala, Uganda

Panelists:

Stacy Suskauer, MD | Physiatry | Baltimore, United States
Robyn Westmacott, PhD, C. Psych | Neuropsychology | Toronto, Canada (*virtually*)
Preeti Raghavan, MD | Physiatry | Baltimore, United States (*virtually*)
Laura Malone, MD, PhD | Neurology | Baltimore, United States

IPSO FMC 2022 Summary of Disclosures

Name	Company to Disclose	Role
Manon Benders	Chiesi	Consultant
Lucas Eljovich	Cerenovus	Consultant
	Balt	Consultant
	Microvention	Consultant
	Scientia	Consultant
	Viz AI	Consultant
	Corindus	Advisory Panel
Christine Fox	Competitive Drug Intl Ltd	Consultant
Heather J. Fullerton	Bayer	Consultant
	Bayer	Industry Sponsor
	Balt	Industry Sponsor
Samson Gwer	Bayer	Industry Sponsor
	Balt	Industry Sponsor
Rebecca Ichord	Bayer	Industry Sponsor
	Balt	Industry Sponsor
Lori C Jordan	Bayer	Industry Sponsor
	Balt	Industry Sponsor
Helen Kim	Neurelis Inc	Clinical Advisory Board
	Route 92	DSMB
	Imperative Care	DSMB
Fenella Kirkham	Bluebird Bio	Consultant
	Global Blood Therapeutics	Consultant
	Johnson & Johnson	Consultant
	Novartis	Consultant
Christine Mrakotsky	Novo Nordisk	Consultant, External Expert Review Panel Member
Preeti Raghavan	Mirrored Motion, Inc	Co-Founder, Scientific Consultant
	Movease, Inc	Co-Founder, Scientific Consultant
Kim Smith-Whitley	Global Blood Therapeutics	Employee
Maja Steinlin	Bayer	Scientific Advisory Board
Stacy Suskauer	Myomo	Scientific Advisory Committee
